We'll get your home connected to essential services for free.*

Moving home comes with a mighty list of things to remember. But in one call, connectnow can sort out almost everything – from teeing up essential utilities to making sure the Wi-Fi is working from day dot.

Let us do the running around.

Connectnow gets things sorted directly with your chosen providers, so you can focus on setting up your new home.

Plus, you'll have your own online account to log in, check your information and keep track of where things are at. Or you can even add new services — you're in control.

You choose who you're after.

With some of Australia's leading service providers on our panel, it's easy for you to find one to match your lifestyle and budget.

Plus, you're not charged any extra for using the connectnow service.* It's our way of ensuring the move into your new home is as seamless as possible.

Speaking of how it all works.
